Babu Rayipudi

Greetings to all of you in the name of Almighty God.

Jesse college was established by Akshi educational trust by experts having more than 25 years of teaching experience with the primary objective of providing industry compatible education by focusing on excellence, productive learning, innovative teaching methodologies along with research and development.

The learning methods are designed as per the student's caliber and capabilities. Our approach is primarily towards moulding the character of the student and imbibe values and ethics along with various social activities.

Our motto is not only quality education but also to provide value added integrated Professional courses such as CA, CMA and CS for Commerce. JEE, CET, NEET for science. Besides this under graduate students employability is the main content along with regular academics. We prepare UG students for various competitive exams like Bank exams, Civil Services and Certification - skill based courses like SAP, Tally and soft skills.

We have strategic partnership with BRICS academy for commerce integrated courses, which is well known for securing all India Ranks in CA, CMA and CS.

If you are passionate and have strong urge to learn and want to become Professionals and want to excel in academics and over all development, then I warmly welcome you to the Jesse family.

What our parents & students say about us

An extremely professional Degree college. My son is in final semester & this is the best place to pursue graduation education with full concentration. The teachers are extra care & always excellent support from the staff team. I am glad that I made the good choice to choose Jesse College.

Uma Gowda

An extremely professional institution. They are so kind and helpful, always there to clear our doubts. They even never deny to take extra classes to make us succeed in a particular topic. One of the "Top Pre- University & Degree colleges in Bangalore" which I have ever seen.

Manjula Reddy

I would like to say this is best college from my personal experience, college support students for their overall development, my sibling is so glad to take admission in jesse college

Meghana

I'm parent of a teenage daughter. Searched couple of colleges who teach moral values and discipline. When I have come to Jesse college my experience is good from the beginning till the admission process. Now when my daughter is attending offline classes the way college is maintained and the way lecturers help students to know the value of education is commendable. Thanks to Jesse college.

N Geetha

I feel happy to be a student of Jesse College , where I have learnt many things and they have molded in a good way with a good knowledge and skills So I like to thankful to this college for everything

Jennifer

I'm puc student. This college is too too good. It is strict but kind of free. We can enjoy every day. I have had good memories here . All teachers are very kind and supportive. Love my college life at Jesse.

Nathan

I'm degree student Studying bcom with CA teachers are very good I got motivated by our principal and Secretary ma'am one of the best college I have never seen very good education well rules and regulations .

Abhilash

My name is Janaurius and I'm a student of jesse degree college. The management and all the lecturers are so supportive towards the students and they treat us all like their own children. I love this college because it's all about knowledge and learning new things everyday.

Janaurius

This is a very good college. I would recommend this college to all those who are desperate to attain their dreams. The staff of this college is very efficient. They give a lot of importance to students feedback. The infrastructure of the college is really good. The management is very supportive. They motivate students and help them reach their goals. The staff is really helpful. They are always ready to help students at any point of time. Good discipline control. I would suggest this college to everyone.
